

Lull Telehandler Part

Lull Telehandler Part - Lull telehandlers have been supplying precision load placement ever since the year 1959. Whether the job entails landing loads on scaffoldings, transferring loads or positioning heavy steel, utilizing a Lull telehandler will really help make the work go easier and faster. These units are complete together with the patented Stabil-Trak stability system to be able to ensure operator confidence.

The Lull horizontal load placement system supplies eighty inches of boom travel for precision placement capabilities. Different optional attachments is available for Lull telehandlers so as to help complete any work.
