Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with effectively designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to offering top quality and new design concepts in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually offers fresh design ideas as shown in their product development. They like offering items that energize both their dealers and their partners and offer production gains to their customers.

The TREK team of employees enjoys new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and requirements together with their comprehension of cleaning applications, together with owners' strong desire to dramatically lessen cost through productivity gains.

When required, the employees within TREK and its numerous dealer members in both technical support and parts would be obtainable. Among their core values is their high service devotion in their customer service. Keeping their customers' cleaning machines running and ready day by day is top priority. The company's top of the line technology delivers dependable equipment that eventually lessens your cost of cleaning. The service, the product and the price all work together to make them an industry leader.
